Database Setting	
	Remove the expire meeting from the database.
Login Page 	<p>The user and the admin need to input their username and password to login.</p> <p>If the user clicks on the forgot button, the system will show the information to contact the admin.</p>  <p>The register button is used to send the new account request by submit the application form.</p> 
Error message: 	

Profile Page

This is the main page for the user, it can go to check personal calendar, meeting list, notification and create a meeting.

This page also contains personal information and photo.

The user can select visible or not visible to other employee when they are inviting the meeting member.

Personal Calendar

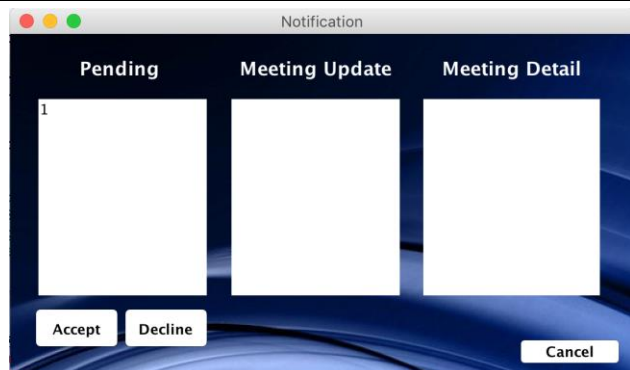

This page shows the day which has meeting with orange color. The meeting list in selected day will show in Meeting space and the meeting detail will show in the meeting information space.

My Meeting

This page will shows the meeting list that the user already accepted in the Accept Meeting part and show the meeting that the user hosted in My Meeting space.

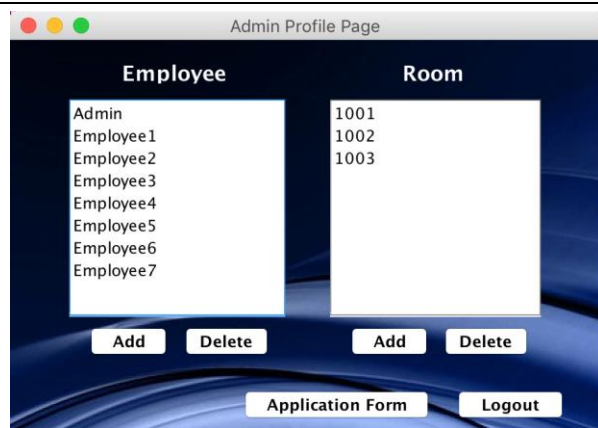

Notification

In this page if there is a meeting that the employee has not respond, it will shows in the pending space and the user can decide to accept or decline the meeting by clicking the button below.

Also, if there any meeting update by the host the information will shows in the Meeting Update space.

Admin page

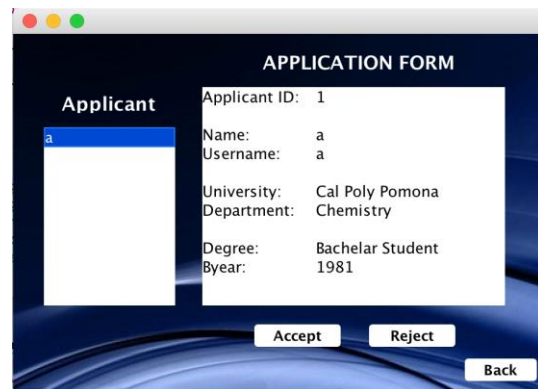

The screenshot shows the 'Admin Profile Page' with a dark blue background. It features two main sections: 'Employee' and 'Room'. The 'Employee' section lists 'Admin', 'Employee1', 'Employee2', 'Employee3', 'Employee4', 'Employee5', 'Employee6', and 'Employee7'. The 'Room' section lists '1001', '1002', and '1003'. Below each list are 'Add' and 'Delete' buttons. At the bottom, there are buttons for 'Application Form' and 'Logout'.

Employee	Room
Admin	1001
Employee1	1002
Employee2	1003
Employee3	
Employee4	
Employee5	
Employee6	
Employee7	

Buttons: Add, Delete, Add, Delete, Application Form, Logout

This page is the main page for admin, the admin can add/delete employee and add/delete room by clicking the button below each part.

The admin also can add the employee by reviewing the application form which sent by the new employee

The screenshot shows the 'APPLICATION FORM' with a dark blue background. It features an 'Applicant' section with a name 'a' and a 'Back' button. The main section displays the following information: Applicant ID: 1, Name: a, Username: a, University: Cal Poly Pomona, Department: Chemistry, Degree: Bachelor Student, and Byear: 1981. At the bottom, there are 'Accept' and 'Reject' buttons.

Buttons: Accept, Reject, Back
